LEONHARD HEYDEN

G E R M A N Y / S I N C E 1 8 9 1

Natürlich soll eine Tasche gut aussehen. Das versteht sich für uns von selbst. Aber vor allem muss sie gut funktionieren. Deswegen ist eine Tasche von Leonhard Heyden immer perfekt durchdacht: passgenaue Fächer für jede Art von Bedarf, schneller Zugriff und klare Ordnung. Zusammen mit dem exklusiven Design ist das unsere Leidenschaft. Mit unserer Kollektion 2023/2024 gehen drei neue Trend-Serien an den Start: Montreal aus glänzendem Rindnappaleder perfektioniert den urbanen Business-Look in Navy und Schwarz, in der sportiven Serie Porto – erhältlich auch in modischem Flaschengrün – zeigt sich die Umhängetasche L Ordner-tauglich, und in der femininen Serie Nizza lässt der geräumige Business-Shopper keine Wünsche offen. Freuen Sie sich auf trendige Must-haves und bewährte Klassiker!

A bag should not only look good – that goes without saying – but above all it should be functional. This is why a Leonhard Heyden bag is well-thought-out from the beginning. With perfectly fitting pockets, easy access and plain organisation. Combined with the exclusive design that is our passion. Together with our basic collection 2023/2024 we present to you three new trend lines: Montreal, made of shiny cowhide leather in navy and black, brings the urban business look to perfection. The messenger bag L of the sporty line Porto is suitable for a binder and comes in a modern bottle-green. Last but not least the feminine line Nizza with its spacious business bag leaves nothing to be desired. Look forward to trendy must-haves and established classics!

Die Steinmann Gruppe ist Mitglied der 2005 gegründeten Leather Working Group, die sich für eine nachhaltige und verantwortungsbewusste Lederverarbeitung einsetzt. Ziel ist es, die Bedingungen in Gerbereien und bei Zwischenhändlern transparenter zu machen und nachhaltig zu verändern, um so eine saubere Produktion ohne kritische Substanzen und mit geringem Wasser- und Energieverbrauch zu erreichen. Im Katalog erkennt man die aus LWG zertifiziertem Leder hergestellten Serien anhand des Blatt-Logos.

The Steinmann Group is member of Leather Working Group, founded in 2005, which campaigns for sustainable and responsible leather treatment. It aims to make conditions in tanneries and at in-between factories and distributors more transparent and also aims to change these conditions effectively in order to reach a clean production without the use of critical substances and with low water and energy consumption. The leaf-logo in the catalogue helps to recognize lines made from leather certified by the Leather Working Group.
